They are loyal Republicans who believe in limited government, strong national defense, free markets, low taxes, personal responsibility, individual liberty, and equality under the law for all. They educate the Republican Party about why inclusion wins. Opposing gay and lesbian equality is inconsistent with the GOP's core principles of smaller government and personal freedom. Log Cabin Republicans has state and local chapters nationwide, full-time staff in Washington, DC, a federal political action committee, and state political action committees.
